SOUTH COPELAND COMMUNITY PARTNERSHIP AGREEMENT

1. Introduction to the Community Partnership Agreement

- 1.1 The UK Government has set out the process for siting a geological disposal facility (GDF) in its Working with Communities Policy, including how the delivery body, Radioactive Waste Management Ltd (RWM), will work in partnership with communities to identify a suitable location to host a GDF.
- 1.2 Government considers a willing community to host a GDF to be a critical factor to successful delivery of this policy. Communities sit at the heart of the consent-based approach. They will be able to enter into discussions with RWM about the siting process, and work in partnership with RWM to decide if they want to host a GDF.
- 1.3 This document – the Community Partnership Agreement (CPA) – is required by the Working with Communities Policy to create such a Community Partnership.
- 1.4 The purpose of the CPA is to set out the principles of how the members of the Community Partnership will work together and their roles and responsibilities. It includes terms of reference to clarify how the Community Partnership operates, how it will take decisions, settle disputes and develop an outline programme of activities
- 1.5 This CPA is not a legally binding agreement. Those signing it do so to become members of the Community Partnership, to agree comply with the Working With Communities Policy and follow the guidelines set out in the CPA on how the Community Partnership will operate. Signing the CPA does not create a commitment for those signing or any community within the Search Area to host a GDF.
- 1.6 This CPA will take effect on the date set out at the top of this Agreement.
- 1.7 This CPA will continue in effect - and the Community Partnership will exist - until any of the following occurs (in each case subject to the conclusion of the transitional arrangements set out under section 1.8):
 - The Community Right of Withdrawal is exercised.
 - The RWM Ability to Withdraw is exercised.
 - The results of a Test of Public Support are negative i.e. the community is not supportive of hosting a GDF; or
 - The results of a Test of Public Support are positive i.e. the community supports hosting a GDF.
- 1.8 If any of the above events occur, the Members of the Community Partnership will decide how and when the Community Partnership will cease to operate. If there is a positive Test of Public Support, the Members may decide to continue the work of the Community Partnership, for example, by creating a liaison group to provide a continued link with RWM during the GDF project's further development.
- 1.9 Words beginning with initial Capital Letters have specific meanings which, if not already set out in this main text, are listed in Schedule 3 at the end of this document.

OFFICIAL

2. Terms of Reference

- 2.1 The terms of reference set out in more detail how the Community Partnership will operate. They are attached as Schedule 1 of this CPA and are called the "Community Partnership Terms of Reference".
- 2.2 The Members will also need to develop terms of reference for any Sub-group(s) that the Community Partnership sets up.
- 2.3 The Members will keep the terms of reference for both the Community Partnership and any Sub-groups under review with a formal review carried out at least every 12 months, unless otherwise agreed by the Members.

3. Community Investment Funding

- 3.1 As soon as possible following the formation of the Community Partnership, the Members will establish a Community Investment Panel which will operate in accordance with the Community Investment Funding (CIF) Principles of Operation. The CIF Principles of Operation reflect the principles from the Working With Communities Policy and set out how this funding will be applied for, approved and administered. The CIF Principles are separately provided to Members.
- 3.2 The Members acknowledge that Community Investment Funding can only be used to fund projects, schemes or initiatives that benefit communities within the Search Area and which meet the CIF Principles of Operation.
- 3.3 The Community Partnership will:
- identify priorities for Community Investment Funding with regard to local plans or strategies in order to develop and agree local funding criteria;
 - append the local funding criteria as a further schedule to this CPA; and
 - keep that schedule up to date through regular review with Members.
- 3.4 The Members acknowledge that in accordance with Working With Communities Policy if either the Community Right of Withdrawal or the RWM Ability to Withdraw is exercised, the availability of Community Investment Funding will end. When this happens, the Members will take appropriate action to evaluate the outcomes of the Community Investment Funding and to share lessons learnt (including the carrying out of a final audit).

4. Test of Public Support

- 4.1 The Test of Public Support will take place in accordance with Working With Communities Policy.
- 4.2 Copeland Borough Council (as the Relevant Principal Local Authority member on the Community Partnership) will take the decision on when to hold a Test of Public Support. If another Relevant Principal Local Authority member joins the Community Partnership, then each Relevant Principal Local Authority member must agree that the Test of Public Support can take place.
- 4.3 Copeland Borough Council (and, if relevant any other Relevant Principal Local Authority member) should involve the Community Partnership in discussions on an appropriate time to hold the Test of Public Support.

OFFICIAL

- 4.4 The Community Partnership will decide on the method to be used for the Test of Public Support. This method will be attached as a further schedule to the CPA when prepared.

- 6.3 The Members will ensure that a consistent Declarations of Interest Procedure is included in the terms of reference for each Sub-group established by the Community Partnership.

- 6.4 This section applies to all authorised representatives set out in Schedule 2 of this CPA.

7. Review

- 7.1 The Members will review the CPA at least every 12 (twelve) months, or such other time frame that the Members agree is appropriate.

- 7.2 If the Members want to make a change to the CPA from that review, those changes must be made in accordance with section 8 below.

8. Variation

- 8.1 Variations and amendments to the CPA and its schedules will be minuted by the Community Partnership and must be made unanimously (unless paragraph 8.2 applies).

- 8.2 The Members may agree that certain decisions or types of decisions do not need to be unanimous. Where the Members agree that that is the case, the Community Partnership will minute that decision and the alternative decision-making process will be attached as a schedule to this CPA.

- 8.3 The CPA does not need to be re-signed by Members to give effect to variations and amendments which have been agreed in accordance with this section.
